These tests are by appointment only and only for those with symptoms who have been pre-screened.

If you have symptoms, such as fever, cough or shortness of breath, call the Bayhealth hotline at 302-310-8477, Monday – Friday from 8:15 a.m. to 6 p.m. **During the call you will be pre-screened by a physician, nurse or advanced practice provider. If you meet the criteria, you will be directed to a screening location.** You may also contact them at coronavirus@bayhealth.org.

It is strongly recommended that you do not go to your doctor's office or emergency department without calling first, since many can isolate at home without being evaluated in person. As always, if you are experiencing a medical emergency, call 911.
